Institute of Engineering and Rural Technology

- Bachelor of Technology in Instrumentation and Control Engineering 2021 - Present

SOFT-SKILLS

My analytical thinking help me to analyze data, identify patterns, and draw meaningful conclusions. I am creative as well that's why I am not afraid to think outside the box. When I face challenges, I adapt and find ways to work with the resources available. My resourcefulness ensures that obstacles don't hinder progress. I love to collaborate with my team-mates and always keen to get some knowledge from them too. My meticulous approach helps me identify critical factors and avoid overloading important aspects.

PROGRAMMING SKILLS

JAVA, C, Python, HTML5, CSS, JavaScript, Gits and Github, Linux Windows.

PROJECTS

(1) My Portfolio Project Using HTML and CSS
